A CENTURY AGO.

Reproduction of a London Newspaper Published

COMMENTS ON GEORGE WASHINGTON,

That

EARLY DAY ARE QUOTED.

The Lordon Times says: rescianile, produced by the photo-zincograph-process, of the Times of November 9, 1796, was issued on Monday Irani the Times office. This is, so far as we can disperse Monday I ran the There office. This, no firs are can discoper, the first authentic reproduction of an issue of the Thera at was known to our ancestors, the so-calird fassimiles which have been sold from time to time often heating little resemblance of their supposed originals. The public will, no doubt, he interacted to see the daily fare provided for readers of newspapers at the close of the last century, and the particular issue selected for re-production, has for more than one reason a special appropriateness. remind Londonera that or November 9 then, as now, the an-cient office of Lord mayor of the city of London passed into new hands. Mr. Alderman Curtis rehands. Mr. Alderman Curtis re-tired in favor of Mr. Brook Watson. We may not inaptly repeat to-day the words we used 100 years

not a lively evening from the brief statement which follows: It is understood that Mr. Pox will die at Guidhall ar well as Mr. Pixes of November 6, to which readers will doubless turn with intensit, as the address of President Washington to the people of the United States on his resignation. The fact is announced in a paragraph with though its phraseology was, no doubt, correct at the time, read somewhat quality to-day:

We are sorry to announce the

CENTURY AGO.

mities.' The Times does not in this issue commant on the address farther than to describe it as 'a very masterful performance."

"A newpaper shows more forcibly perhaps, then anything is the extraordinary developments in ational life of the century just ending. We want no further evidence of the growth of Industrians of the stream of the stream of the stream of the stock and and is contained in stringer. It additional is and is contained in stringer. It additional is a different sphere a similar change appears in the thest rical announce. seder an. It quotes hevelve stocks, and is contained in axi line. In a sufferent sphere a similar change appears in the theatrical announcements. Two theatres only are mentioned—Darry Lane and Covent Garden. At the former Mr. Camble as air and State of the search of t

THE FIRST CHRISTMAS CIFT.

Make Your Gift a Pure One, and

Make Vour Offit a Pure One, and divers the Washington to the propied of the United States of his resignation. The fact is amounced in a paragraph which, though its phraseology was, no doubt, correct at the time, read and smoothst quasitity to day:

We are sorry to ansounce the matter of president of the United States of President of the United States of America.

"The address was too long to be pristed in its entirety in one must be of the Times." The prottion of the Times. The prottion of the United States and the present day, with the own one who is the factorial is addiction to the first President of the United States in press with remarkable force as we can be interested in the search of the United States in press with remarkable force as we can his eloquent warnings and antisphine to the first President of the present day, which is the search of the search in the search of the United States in press with remarkable force as we can his eloquent warnings and antisphine to the first President of the present day, which have since of the present day which have since of the present day which have since of the present day which have since of local interests as greated in events now historical, but the concerned which the part and views.

It courses as matter of very senous concern that any ground of the part of the present day which have since of the present day which have done in the characteristic of the contracted of the part of the

BIG GLOTHING W GLOAK SALE FOR DECEMBER. DULIN, MCLEOD & CO.

The biggest store in Madisonville, is going to make some of the biggest offers in Suits ever made to the trading public. We have selected over One Hundred Suits that were made to sell for \$12.50 and \$15.00, and put them on our \$10 tables for December trade. No other house ever did, ever will or ever can offer so many fine Suits to select from. The finest tailors in the land made our \$10 Suits. We have selected 100 Heavy All-Wool Suits that were made to sell for \$6, \$7, and \$8, and put them all on our \$5 table. THESE ARE TEMPTING BARGAINS.

CLEAN SWEEP

CLOAK DEPARTMENT

We knew that our first purchases of Cloaks We knew that our first purchases of Cloaks were bought cheap enough and our profit marked small enough to insure a big Cloak trade. We expected the prices we were making, the values we were giving would create a breeze in Cloak circles, but we did not expect to stir up the trade clyclone that we did and get to stir up the trade crycione that we did and get everything swept out of our house before the season was half over. The result was that a season being late we bought them at about half their value, so we are offering some tempting becoming.

NORTH AND NORTHWEST.

EARLINGTON, HOPKINS COUNTY, KENTUCKY, THURSDAY, DECEMBER 10, 1886, SUPPLEMENT.

Love for his Violin and his Abberrence of Discords. The L. & N. to Add to Their Service Dec. 20th. Two new passenger trains will

violin can be impressed by age unless set iss goot in the pegninis."

Presently the conversation drifted to art and architecture and Remenyi was moved to remark that about fifty years ago "dere wasas a tam pad period. of lous puilding." After a while route body suggested a look at Remeay's sine Stratuyarius violins. One of these, he said, ite bought in Sontia Africa for \$6,200, and the other was picked up in Europe for a trifle of \$1,500. The instruments were as carefully attended to as children. Both were in cases that could only be opened by pressure on a hidden spring, and, as if this were not enought, the violins were wrapped in soft cloth. Remery took one out of its case in order on a hidden spring, and, as if this were not enought, the violins were wrapped in soft cloth. Remery took one out of its case in order of the reached out the had to take that we will be a soft cloth. Remery took one out of its case in order of the reached out the had to take that we will be soft to the week.
